Stage Sight has grown from an idea initiated by founder and lighting designer Prema Mehta to a sector-led initiative that is playing a vital role in diversifying theatre's offstage workforce in a meaningful way.

Stage Sight is busier than ever and so we are looking for two new Stage Sight committee members to join the team, which is an active, hands on team, which lead Stage Sight's activity and organisational development.

Committee Roles and Responsibilities

- Commitment to Stage Sight's values and vision
- Working with the committee members and wider volunteers to deliver the ideas that are generated in response to the organisation and individual members' feedback.
- Capacity to invest 2-3 hours a week developing and / or delivering activities and / or capacity building to support Stage Sight's vision and ambition. This could include representing Stage Sight at meetings, and/or be involved in a working group with a focus on a particular area of our work/area of specialism or interest etc.
- Attend monthly Committee meetings, allocated sub-group meetings, Stage Sight forums and if appropriate Green Room drop-ins.

- Ability to speak on behalf of Stage Sight at invited events including but not limited to panel discussions, conferences, schools workshops and careers fairs.
- Advocate for Stage Sight across relevant networks and broker relationships between Stage Sight and organisations and individuals in order to increase Stage Sight membership, funding opportunities and partner projects.
- Support the necessary fundraising work to support Stage Sight's financial development including but not limited to public funding, philanthropy, earned income and individual donors Where relevant mentoring individual Stage Sight members

Due to the range of work that Stage Sight is leading on it would be desirable if committee members reflected any of the following skills and experience:

- Offstage theatre experience
- Monitoring, evaluation and data analysis
- Communications
- Brand Development
- Legal
- Marketing, PR and campaigning
- Fundraising

Due to the specific nature of Stage Sight's work we are keen to ensure that those who Stage Sight represents are also reflected in the committee membership and would welcome interest from those working off-stage in the theatre / performing arts workforce.

We actively encourage those who are ethnically diverse, disabled and / or from a lower socio economic background to join the committee – to ensure the representation we seek in the sector is reflected and embedded in our own work and governance.

Attendance of meetings has always been enabled virtually, even pre-Covid to ensure members could gather together.
